

Help Wanted

Photo & Video Trainee Wanted

We need assistants & new photographers to train:

- **Assistants:** newer photographers who'd like to assist, do photo tech on Mac & iPad, and want to be mentored to grow into a larger role
- **Second-Camera photographers** to work on larger events with us, and eventually work solo on simple PR assignments after working through our assisting & photo training system
- **Still Photo & Video Hybrid image makers** to grow with our newer video division, but also be part of our still photo team. Audio skills & some editing experience a big plus.

The photographers we're looking for have these qualities:

- Flexible, friendly personality, reliable communicators
- Solid photo skills, teachable & always wanting to learn more
- Strong business skills to take care of clients in a professional way
- **Portable flash skills for events is critical** (training available)
- Work well independently with little need for client direction
- Expecting to be in the Triangle area for a few years
- A body of work in PR/Event photography so we can rate your experience

about us: HuthPhoto.com

Please don't apply if you have a full-time job. Much of our work is during the normal business day. This is **not a full-time position**, but occasional part-time work that could grow into more for the right person

Interested?

You **MUST** submit:

Portfolio link or recent gigs showing PR/event photos & **images showing on-camera flash work**. Not just 'natural light' work.

Due to the volume of responses, we can only respond to people who submit work for review.
